

**Questions and Answers in reference to the March 30, 2005 Pre-Application meeting
for G-CCD-05-068**

Question 1: The maximum grant award for G-CCD-05-068 is \$50,000. How is that determined?

Answer: It will be based upon the recommendation of the grant application review committee.

Question 2: May separate branches of an organization submit an application for more than one program to expand the existing no fee programs?

Answer: Yes. A separate application must be submitted for each branch and program in separate envelopes.

Question 3: What does the Division consider to be excellent documentation?

Answer: Excellent documentation addresses all of the following components in a response: who, what, when, where, why and how.

Question 4: On page 8, A. 1.a. What does evidence of needs/risks mean?

Answer: This funding is for School Age Child Care. With the support of statistical and factual documentation and information, address the child care need for the families and children ages 5-12 in your area of operation and the risk involved to the same population if school age child care is not available.
